ALL 2026 CROP PL BUSHELS MUST BE PRICED BY 12-31-27.

- **Note:** Under Current FSA regulations, soybeans placed on HPP's PL program are **not** able to participate in the CCC Marketing Loan Program. Please check with your FSA office on the details of their programs.
- **Spot Loads** will be priced out at **1:00 p.m. the following business day after unload**. Please note that when you tell the Scale Operator to **"Spot or Sell the overrun"** those bushels will be priced at 1:00 p.m. the following business day. Also, if you tell the probe operator nothing and you have no contracts, the load will be spotted out.
- **HPP Deferred Payment Contract:** Request defer pay for year you wish to take payment (must request check before December 31st of that year). We will pay 4 cents/bu/month prorated from the date of delivery. Payments must be delayed more than 30 days to receive the premium. The seller **must** return the signed Defer Pay contract within 30 days of making the contract.
- **Please use Gate #2 for bean deliveries. - **REMINDER FOR MITCHELL TRUCKS – ONE CARD PER TRUCK.** The Cards will be handed out the first time you arrive at the probe shack. The "Carrier" will always remain the same for that truck. The "Customer" will remain the same and the splits will remain the same as the previous load **UNTIL** the driver notifies the probe operator to change that on the ticket.
- **POLICY FOR BEAN TRUCK DRIVERS:** Please stay in your truck when weighing in and out on the bean scales.
